

Mission = To celebrate the Lord. (Psalm 122:1)

Core Values = (How will we accomplish our mission?)

-Live out the Word

We want to become increasingly dependent on God & His word in every aspect of our lives, so that we are not relying on our resources, but the endless resources of the Lord. (Matthew 6:33)

-Serve others

We want our hearts to break for those who are in need, so that a movement of God happens in our community and the world around us. (Matthew 25:35-36)

-Proclaim the truth

We want to strive to think, speak, and act the same way Christ lived on earth, till the day we go home or till the day He comes and gets us. (Ephesians 5:1-2)

-Empower the church

We want to live a life of urgency that affects our priorities and actions, because what happens here on earth will ultimately affect someone's eternity. (Colossians 3:1)
